

SCIENCE AT O'BRIEN GROUP ARENA

Grades 1 & 2

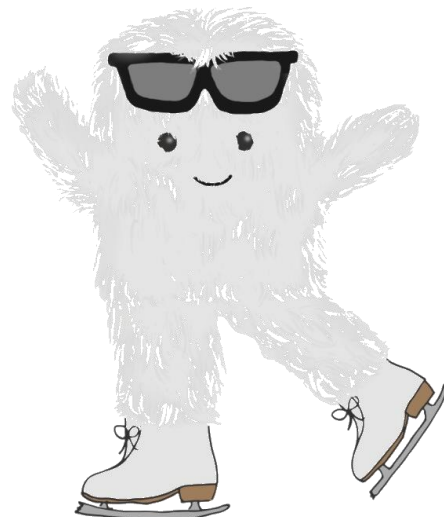

Habitat

O'Brien Group Arena's resident Yeti has travelled a far to move homes to Melbourne! To make sure Yeti is always comfortable and happy we have to make sure he has a suitable habitat to live in!

Yeti likes:

- ❄️ Cold temperatures
- ❄️ Somewhere dark to sleep at night
- ❄️ Icy cold water to splash in
- ❄️ Leafy trees to munch on

Draw an environment Yeti could live in

Name:

Water at home and at O'Brien Group Arena

Draw some pictures showing how water can be used at home

Draw some pictures showing how water can be used at O'Brien Group Arena
